5 ACTIONS FOR THE ENVIRONMENT

1

FIND LOCAL ORGANIZATIONS

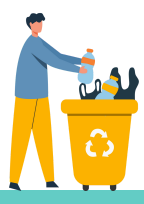

Research environmental organizations and community groups in your area and inquire about volunteer opportunities.

2

ATTEND EVENTS

Participate in clean-up events, workshops, and rallies to connect with like-minded individuals and learn more about environmental issues.

3

STAY INFORMED

Stay updated on environmental news and developments through reputable sources and social media platforms.

4

USE YOUR VOICE

Advocate for environmental policies and practices at the local, national, and global levels by contacting elected officials and participating in public consultations.
